

Welcome to Falakata College

Falakata , Alipurduar

[website: www.falakatacollege.org.in , www.admissionfalakatacollege.org.in]

Falakata College was established on 19th September, 1981. Since then it has remained both in the field of Education and Sports, as one of the important College of North Bengal. It is a Government aided Degree College, affiliated to the University of North Bengal and enlisted Under Section 2 (f) and 12 (B) of the U.G.C. Act. Managed by a Governing Body under the control of Directorate of Public Instruction, WestBengal. The College is situated in Falakata, about 1 k.m. away from the National Highway 31. The College Campus is being divided into two parts, a three storied new building and the other is the old two storied building, midst which there is a green playground. The campus is unique for its spacious green forest situated behind the old building. The College has a friendly and congenial ambience for teaching and learning. Under the British Rule Falakata was a Sub-divisional town but after independence, the centre of gravity has been shifted to Alipurduar. As a result, the old glory of Falakata decreased day by day. Surrounded by tea gardens and forests, far away from both the District town Jalpaiguri and Sub-divisional town Alipurduar, the people of Falakata found it very difficult to keep in touch with higher Education. It was an agriculture based area majority of the population belonged to backward scheduled class and scheduled tribes. Though the students were eager to get them admitted into Colleges but it was beyond their capacity. Hence, the need for establishing a College was felt. As a result, Falakata College was born on 19th September, 1981. Later the College had been included under section 2(f) 12(b) of the UGC Act. on 28.05.1988. The tiny sapling of 1981 is now young flourishing tree and is now catering education to thousands of students every year. One can't but be amazed at the growth of the institution looking back to the year 1981 when it started functioning with 50/60 students on the roll.

MERIT POINT CALCULATION FORMULA (FOR HONOURS COURSE):

$$\text{Merit Point} = \frac{2S + T}{6}$$

6

2S = Marks obtained in the subject opted for Honours x 2

T = English Marks + Marks obtained in the subject opted for Honours + Best Marks of only other two subjects (Excluding the marks secured in Environment Studies/Science/Education, Marks obtained in the subject opted for Honours and English)

Example =

$$\begin{aligned} \text{MERIT} &= 2 \times 60 \text{ (Honours Subject)} + 65 \text{ (English)} + 60 \text{ (Honours subject)} \\ &\quad + 70 + 75 \text{ (Best Two Subjects)} \\ &= \frac{2 \times 60 + 65 + 60 + 70 + 75}{6} \\ &= 65 \end{aligned}$$

If the candidate does not have the specific subject opted for honours in his/her previous course, the procedure for merit calculation will be as follows.

$$\text{Merit Point} = \frac{T1}{4}$$

4

T1 = Marks Obtained in English + Best of Other Three Subjects (Excluding the marks Secured in Environment Studies/Science/Education)

Example =

$$\begin{aligned} \text{MERIT} &= 60 \text{ (English marks)} + 75 + 72 + 63 \text{ (Best of other Three Subjects)} / 4 \\ &= \frac{60 + 75 + 72 + 63}{4} \\ &= 67.5 \end{aligned}$$

This procedure is also applicable in case of General Course.
